Valutek Announces New Vice President of Sales and Marketing
Gary Coraggio promoted to new position at Phoenix headquarters

PHOENIX (APRIL 2011) — Valutek is pleased to announce the promotion of Gary Coraggio to the position of Vice President of Sales and Marketing for the industry-leading manufacturer of cleanroom supplies.

Gary Coraggio joined the Valutek team in 2010 as the Sales and Marketing Director. In the past, he has successfully managed multi-million-dollar sales teams on local and international levels. He brought to Valutek his 15 years of sales and marketing experience in the health care

industry.

His achievements at Valutek include implementing the company's first Customer Loyalty program, and emphasizing first-class customer service. "The sales team now spends even more time building relationships with our direct customers," says Coraggio.

This client focus also includes concentrating on building up the Arizona client marketshare. "We want to make not just our products, but our expertise and time available to local customers," he comments. "We'll do on-site visits and cleanroom consultations."

"Having Gary take on an expanded leadership role at the Phoenix office frees up my time, so that I can spend more energy on face-to-face contact with national customers, and on R&D," says Greg Heiland, CEO. "I am proud to appoint him to manage the daily operations and eager to see even more successful sales and marketing campaigns implemented."
